

Queridas estudiantes de 6to B,

No hemos tenido la oportunidad de comenzar juntas la unidad 1, pero estoy 100% segura que ustedes pueden hacer la actividad de inicio por sí solas.

Escrito les dejo cómo debe ir en su cuaderno. Como verán, no es algo que antes no hayamos hecho.

Muchos cariños y nos vemos pronto.

-Miss Loreto.

My lunchbox by Tyler Edwards

I don't usually have school dinners so I take a lunchbox to school every day. In my lunchbox I often have a bag of _____ crisps _____ or maybe a small bag of 1 _____ - I think these are better for you.

There's always some fruit too - maybe a nice red 2 _____.

I always have two big 3 _____ - my mum makes them with white or brown bread, and she usually puts some 4 _____ in them like chicken, or perhaps some nice cheese, or some healthy green 5 _____.

At our school we can't have 6 _____ like cola, so I always take some apple 7 _____.

We can drink 8 _____ too.

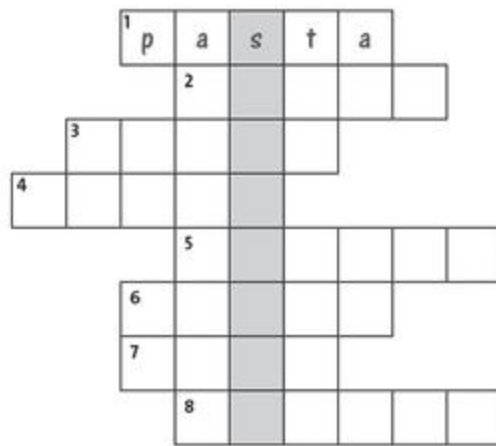

When I get home every day I wash my lunchbox. Then it's time for dinner. We always have a hot meal - perhaps some Italian 9 _____ with vegetables or a big pizza.

ACTIVITY 3: Distinguish the correct words to complete the puzzle. Discover the extra word.

- 1 This famous food from Italy is very popular.
- 2 This is the most common drink in the world.
People also wash their face in it.
- 3 These are vegetables. They are sometimes long
and green.
- 4 People make sandwiches with this.
- 5 Children like these. But they are bad for
your teeth.
- 6 In the UK, people eat these with fish. They're
not very healthy. They are made from potatoes.
- 7 This is white. It is very popular in countries like
China and Japan.
- 8 This is yellow or white. It is on top of a pizza.

The extra word is: _____.
